COMPLAINT FOR VIOLATION OF THE SECURITIES EXCHANGE ACT OF 1934

Plaintiff, by her undersigned attorneys, for this complaint against defendants, alleges upon personal knowledge with respect to himself, and upon information and belief based upon, *inter alia*, the investigation of counsel as to all other allegations herein, as follows:

NATURE OF THE ACTION

1. This action stems from a proposed transaction announced on March 14, 2022 (the “Proposed Transaction”), pursuant to which Volt Information Sciences, Inc. (“Volt” or the “Company”) will be acquired by Vega Consulting, Inc. (“Parent”) and Vega Mergerco, Inc. (“Purchaser”).

2. On March 12, 2022, Volt’s Board of Directors (the “Board” or “Individual Defendants”) caused the Company to enter into an agreement and plan of merger (the “Merger Agreement”) with Parent and Purchaser. Pursuant to the terms of the Merger Agreement, Purchaser commenced a tender offer (the “Tender Offer”) to purchase all of Volt’s outstanding common stock for \$6.00 in cash per share. The Tender Offer is set to expire on April 22, 2022.

3. On March 25, 2022, defendants filed a Solicitation/Recommendation Statement (the “Solicitation Statement”) with the United States Securities and Exchange Commission (“SEC”) in connection with the Proposed Transaction.

4. The Solicitation Statement omits material information with respect to the Proposed Transaction, which renders the Solicitation Statement false and misleading. Accordingly, plaintiff alleges herein that defendants violated Sections 14(e), 14(d), and 20(a) of the Securities Exchange Act of 1934 (the “1934 Act”) in connection with the Solicitation Statement.

JURISDICTION AND VENUE

5. This Court has jurisdiction over all claims asserted herein pursuant to Section 27 of the 1934 Act because the claims asserted herein arise under Sections 14(e), 14(d), and 20(a) of the 1934 Act and Rule 14a-9.

6. This Court has jurisdiction over defendants because each defendant is either a corporation that conducts business in and maintains operations within this District, or is an individual with sufficient minimum contacts with this District so as to make the exercise of jurisdiction by this Court permissible under traditional notions of fair play and substantial justice.

7. Venue is proper under 28 U.S.C. § 1391 because a portion of the transactions and wrongs complained of herein occurred in this District.

PARTIES

8. Plaintiff is, and has been continuously throughout all times relevant hereto, the owner of Volt common stock.

9. Defendant Volt is a New York corporation and maintains its principal executive offices at 2401 North Glassell Street, Orange, CA 92865. Volt’s common stock trades on the New York Stock Exchange under the ticker symbol “VOLT.”

10. Defendant William J. Grubbs is Chairman of the Board of the Company.

11. Defendant Nick S. Cyprus is a director of the Company.
12. Defendant Bruce G. Goodman is a director of the Company.
13. Defendant Linda Perneau is a director of the Company.
14. Defendant Arnold Ursaner is a director of the Company.
15. Defendant Celia R. Brown is a director of the Company.
16. The defendants identified in paragraphs 10 through 15 are collectively referred to herein as the “Individual Defendants.”

SUBSTANTIVE ALLEGATIONS

Background of the Company and the Proposed Transaction

17. Volt is a global provider of staffing services -- traditional time and materials-based as well as project-based.

18. The Company’s staffing services consist of workforce solutions that include providing contingent workers, personnel recruitment services, and managed staffing services programs supporting primarily administrative, technical, information technology, light-industrial, and engineering positions.

19. On March 12, 2022, Volt’s Board caused the Company to enter into the Merger Agreement.

20. Pursuant to the terms of the Merger Agreement, Purchaser commenced the Tender Offer to acquire all of Volt’s outstanding common stock for \$6.00 in cash per share.

21. According to the press release announcing the Proposed Transaction:

Volt Information Sciences, Inc. (“Volt” or the “Company”) (NYSE-AMERICAN: VOLT), a global provider of staffing services, and Vega Consulting, Inc. (“Vega”), an affiliate of ACS Solutions (“ACS Solutions”), a global provider of information technology solutions and services (www.acsicorp.com), announced today that Volt and Vega have entered into a definitive merger agreement under which Volt will be acquired for \$6.00 per share in cash. This per share purchase price represents a premium of 99% to the Company’s closing stock price on March 11, 2022.

Vega will commence a tender offer no later than March 25, 2022 to acquire all outstanding shares of Volt for \$6.00 per share in cash. The merger agreement was approved by Volt's board of directors, which recommends that Volt stockholders tender their shares in the offer. . . .

In connection with the execution of the merger agreement, certain of Volt's stockholders, directors and executive officers holding approximately 26% in the aggregate of the Company's outstanding shares entered into agreements in which they agreed to tender all of their shares in the tender offer.

The closing of the transaction is subject to customary closing conditions, including the expiration or termination of certain regulatory periods and the tender of shares representing at least two-thirds of the Company's outstanding common stock in the tender offer. Following the successful completion of the tender offer, Vega will acquire any remaining shares not tendered in the tender offer through a second-step merger at the same price.

The merger agreement provides for a "go-shop" period during which Volt – with the assistance of Foros, its exclusive financial advisor – will actively solicit, evaluate and potentially enter into negotiations with, and provide due diligence access to, parties that submit alternative proposals. The go-shop period will extend for 30 calendar days until April 11, 2022. Volt will have the right to terminate the merger agreement to enter into a superior proposal, subject to the conditions and procedures specified in the merger agreement. There can be no assurance that this process will result in a superior proposal. Volt does not intend to disclose developments during this process unless its Board of Directors makes a decision with respect to any potential superior proposal.

The transaction is expected to close in the second calendar quarter of 2022. After closing, Volt will become a privately-held company and shares of Volt common stock will no longer be listed on any public market. For further information regarding the terms and conditions contained in the merger agreement, please see Volt's Current Report on Form 8-K, which will be filed with the U.S. Securities and Exchange Commission (the "SEC") in connection with this transaction.

Foros is acting as financial advisor to Volt and Milbank LLP is acting as legal counsel to Volt. Kilpatrick Townsend and Stockton LLP is acting as legal counsel to Vega.

The Solicitation Statement Omits Material Information, Rendering It False and Misleading

22. Defendants filed the Solicitation Statement with the SEC in connection with the Proposed Transaction.

23. As set forth below, the Solicitation Statement omits material information with respect to the Proposed Transaction, which renders the Solicitation Statement false and misleading.

24. First, the Solicitation Statement omits material information regarding the Company's financial projections.

25. The Solicitation Statement fails to disclose: (i) all line items used to calculate the projections; and (ii) a reconciliation of all non-GAAP to GAAP metrics.

26. The disclosure of projected financial information is material because it provides stockholders with a basis to project the future financial performance of a company, and allows stockholders to better understand the financial analyses performed by the company's financial advisor in support of its fairness opinion.

27. Second, the Solicitation Statement omits material information regarding the analyses performed by the Company's financial advisor in connection with the Proposed Transaction, Foros Securities LLC ("Foros").

28. With respect to Foros's Discounted Cash Flow Analysis, the Solicitation Statement fails to disclose: (i) the terminal values used in the analysis; and (ii) the individual inputs and assumptions underlying the discount rates and perpetuity growth rates used in the analysis.

29. With respect to Foros's Precedent Transaction Analysis, the Solicitation Statement fails to disclose Foros's basis for only selecting one precedent transaction.

30. With respect to Foros's Selected Public Companies Analysis, the Solicitation Statement fails to disclose the individual multiples and metrics for the companies.

31. When a banker's endorsement of the fairness of a transaction is touted to shareholders, the valuation methods used to arrive at that opinion as well as the key inputs and range of ultimate values generated by those analyses must also be fairly disclosed.

32. Third, the Solicitation Statement fails to disclose whether Foros has received any compensation for services provided to the parties to the Merger Agreement or their affiliates during the two years preceding the date of its fairness opinion.

33. Fourth, the Solicitation Statement fails to disclose whether the Company entered into any nondisclosure agreements that contained “don’t ask, don’t waive” provisions.

34. The omission of the above-referenced material information renders the Solicitation Statement false and misleading.

35. The above-referenced omitted information, if disclosed, would significantly alter the total mix of information available to the Company’s stockholders.

COUNT I

(Claim for Violation of Section 14(e) of the 1934 Act Against Defendants)

36. Plaintiff repeats and realleges the preceding allegations as if fully set forth herein.

37. Section 14(e) of the 1934 Act states, in relevant part, that:

It shall be unlawful for any person to make any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made, in the light of the circumstances under which they are made, not misleading . . . in connection with any tender offer or request or invitation for tenders[.]

38. Defendants disseminated the misleading Solicitation Statement, which contained statements that, in violation of Section 14(e) of the 1934 Act, in light of the circumstances under which they were made, omitted to state material facts necessary to make the statements therein not misleading.

39. The Solicitation Statement was prepared, reviewed, and/or disseminated by defendants.

40. The Solicitation Statement misrepresented and/or omitted material facts in connection with the Proposed Transaction as set forth above.

41. By virtue of their positions within the Company and/or roles in the process and the preparation of the Solicitation Statement, defendants were aware of this information and their duty to disclose this information in the Solicitation Statement.

42. The omissions in the Solicitation Statement are material in that a reasonable shareholder will consider them important in deciding whether to tender their shares in connection with the Proposed Transaction. In addition, a reasonable investor will view a full and accurate disclosure as significantly altering the total mix of information made available.

43. Defendants knowingly or with deliberate recklessness omitted the material information identified above in the Solicitation Statement, causing statements therein to be materially incomplete and misleading.

44. By reason of the foregoing, defendants violated Section 14(e) of the 1934 Act.

45. Because of the false and misleading statements in the Solicitation Statement, plaintiff is threatened with irreparable harm.

46. Plaintiff has no adequate remedy at law.

COUNT II

(Claim for Violation of 14(d) of the 1934 Act Against Defendants)

47. Plaintiff repeats and realleges the preceding allegations as if fully set forth herein.

48. Section 14(d)(4) of the 1934 Act states:

Any solicitation or recommendation to the holders of such a security to accept or reject a tender offer or request or invitation for tenders shall be made in accordance with such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors.

49. Rule 14d-9(d) states, in relevant part:

Any solicitation or recommendation to holders of a class of securities referred to in section 14(d)(1) of the Act with respect to a tender offer for such securities shall include the name of the person making such solicitation or recommendation and

the information required by Items 1 through 8 of Schedule 14D-9 (§ 240.14d-101) or a fair and adequate summary thereof[.]

Item 8 requires that directors must “furnish such additional information, if any, as may be necessary to make the required statements, in light of the circumstances under which they are made, not materially misleading.”

50. The Solicitation Statement violates Section 14(d)(4) and Rule 14d-9 because it omits the material facts set forth above, which renders the Solicitation Statement false and/or misleading.

51. Defendants knowingly or with deliberate recklessness omitted the material information set forth above, causing statements therein to be materially incomplete and misleading.

52. The omissions in the Solicitation Statement are material to plaintiff, and he will be deprived of his entitlement to make a fully informed decision with respect to the Proposed Transaction if such misrepresentations and omissions are not corrected prior to the expiration of the Tender Offer.

53. Plaintiff has no adequate remedy at law.

COUNT III

(Claim for Violation of Section 20(a) of the 1934 Act Against the Individual Defendants)

54. Plaintiff repeats and realleges the preceding allegations as if fully set forth herein.

55. The Individual Defendants acted as controlling persons of Volt within the meaning of Section 20(a) of the 1934 Act as alleged herein. By virtue of their positions as directors of Volt and participation in and/or awareness of the Company’s operations and/or intimate knowledge of the false statements contained in the Solicitation Statement filed with the SEC, they had the power

to influence and control and did influence and control, directly or indirectly, the decision making of the Company, including the content and dissemination of the various statements that plaintiff contends are false and misleading.

56. Each of the Individual Defendants was provided with or had unlimited access to copies of the Solicitation Statement alleged by plaintiff to be misleading prior to and/or shortly after these statements were issued and had the ability to prevent the issuance of the statements or cause them to be corrected.

57. Each of the Individual Defendants had direct and supervisory involvement in the day-to-day operations of the Company, and, therefore, is presumed to have had the power to control and influence the particular transactions giving rise to the violations as alleged herein, and exercised the same. The Solicitation Statement contains the unanimous recommendation of the Individual Defendants to approve the Proposed Transaction. They were thus directly connected with and involved in the making of the Solicitation Statement.

58. By virtue of the foregoing, the Individual Defendants violated Section 20(a) of the 1934 Act.

59. As set forth above, the Individual Defendants had the ability to exercise control over and did control a person or persons who have each violated Section 14(e) of the 1934 Act and Rule 14a-9, by their acts and omissions as alleged herein. By virtue of their positions as controlling persons, these defendants are liable pursuant to Section 20(a) of the 1934 Act.

60. As a direct and proximate result of defendants' conduct, plaintiff is threatened with irreparable harm.

61. Plaintiff has no adequate remedy at law.

PRAYER FOR RELIEF

WHEREFORE, plaintiff prays for judgment and relief as follows:

- A. Enjoining defendants and all persons acting in concert with them from proceeding with, consummating, or closing the Proposed Transaction;
- B. In the event defendants consummate the Proposed Transaction, rescinding it and setting it aside or awarding rescissory damages;
- C. Directing the Individual Defendants to file a Solicitation Statement that does not contain any untrue statements of material fact and that states all material facts required in it or necessary to make the statements contained therein not misleading;
- D. Declaring that defendants violated Sections 14(e), 14(d), and 20(a) of the 1934 Act, as well as Rule 14a-9 promulgated thereunder;
- E. Awarding plaintiff the costs of this action, including reasonable allowance for plaintiff's attorneys' and experts' fees; and
- F. Granting such other and further relief as this Court may deem just and proper.

JURY DEMAND

Plaintiff hereby demands a trial by jury.
